

## REMARKS/ARGUMENTS

Applicants thank the Examiner for his careful review of this application. A Preliminary Amendment was filed on January 3, 2002, canceling claim 1 and adding new claims 2 through 28. It appears that the Examiner did not have the opportunity to consider these added claims during the examination of the application. Applicants respectfully request reconsideration of pending claims 2 through 28. A copy of the Preliminary Amendment, and claim fees, as filed on January 3, 2002 and the certificate of mailing, are enclosed for the Examiner's reference.

### Conclusion

If the Examiner has any questions, the Examiner is requested to contact the undersigned at (408) 749-6900 Ext. 6926. If any additional fees are due in connection with filing this Amendment, the Commissioner is also authorized to charge Deposit Account No. 50-0805 (Order No. SUNMP285). A duplicate copy of the transmittal is enclosed for this purpose.

Respectfully submitted,

REMARKS

Claim 1 is pending in the present patent application. Applicant requests the cancellation of claim 1 without prejudice, and submits new claims 2 through 28. Applicant submits that new claims 2 through 28 are fully supported by the specification, figures and claims as originally filed, and that no new matter has been introduced herein. Applicant respectfully requests consideration of new claims 2 through 28.

Respectfully submitted,

THE HECKER LAW GROUP
